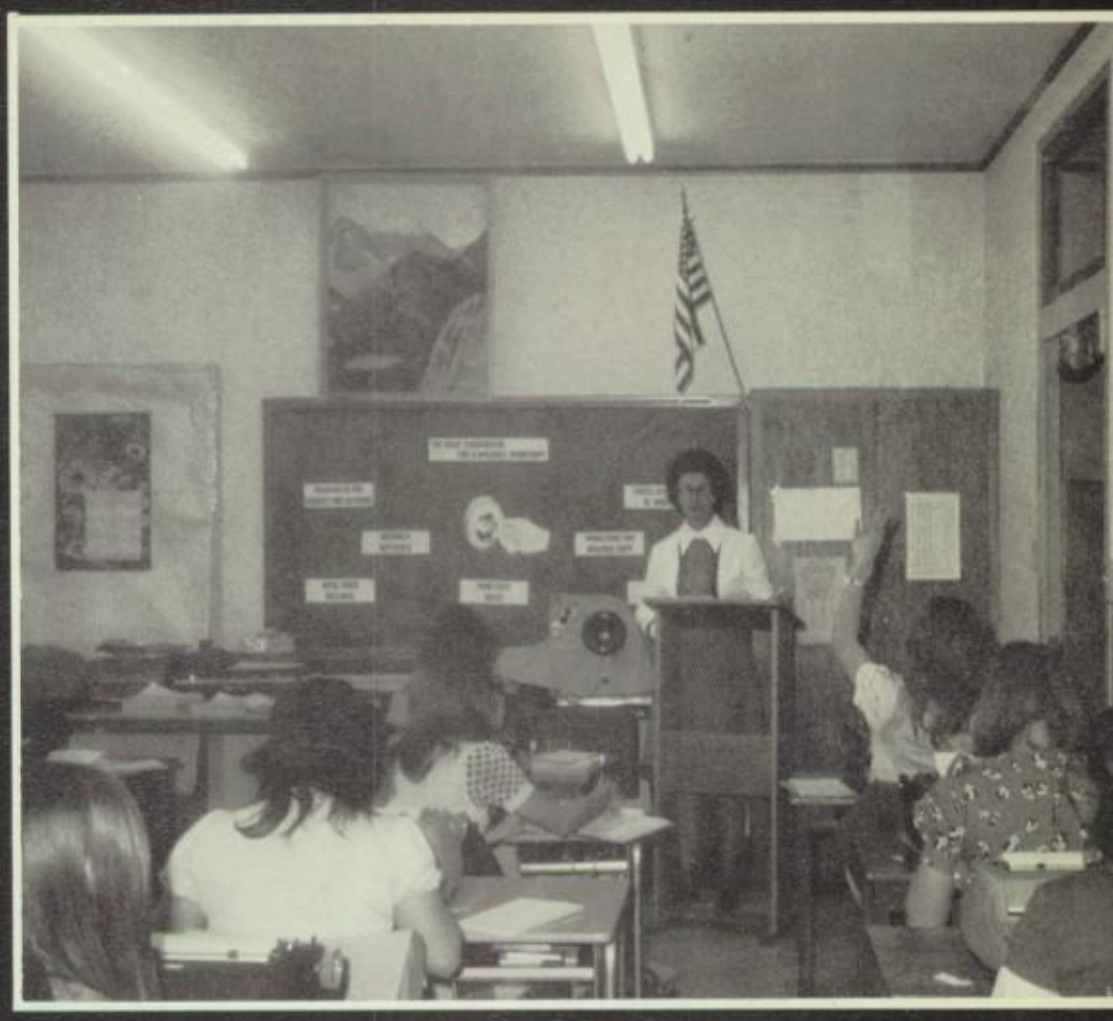
# *DEDICATION*

To honor an effective teacher, a tireless worker, and friend, Miss Bertie Mae Payne, it is with deep gratitude that we dedicate this edition of CASTLEVIEWS.

Her quiet effectiveness and her devotion to making young hands skillful inspire both her students and her colleagues.

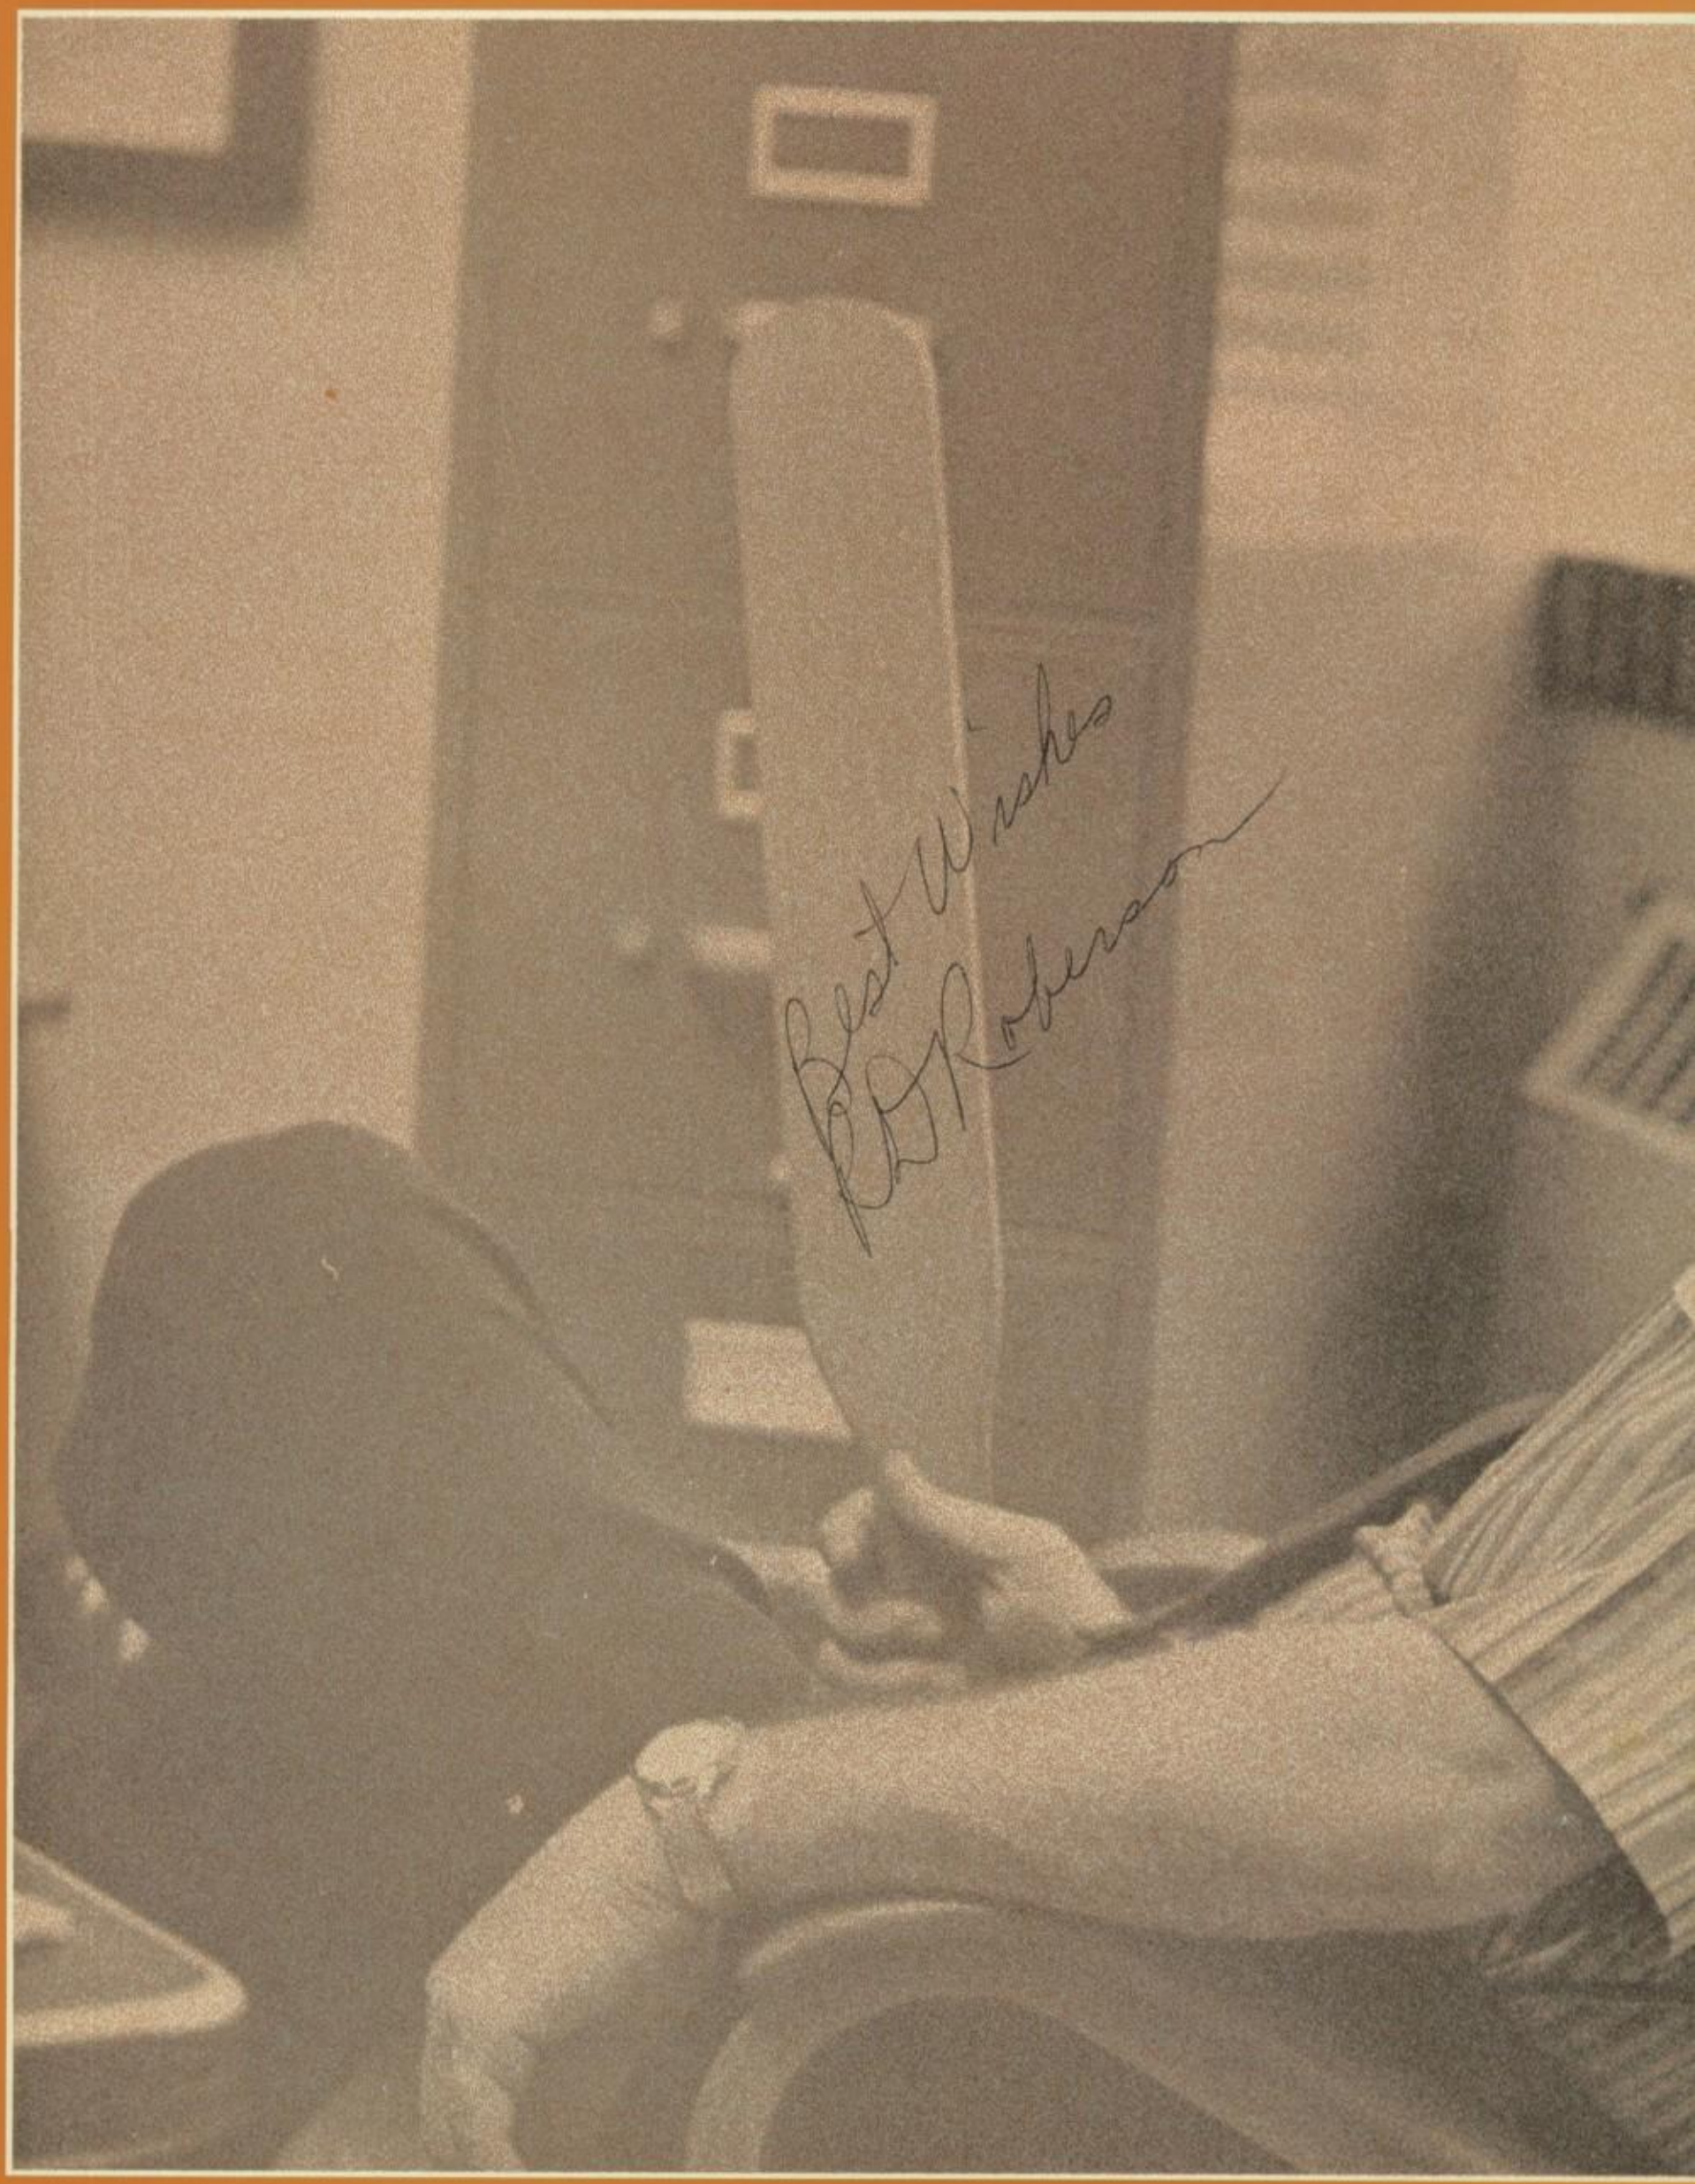


As sponsor of THE FUTURE BUSINESS LEADERS OF AMERICA Miss Payne and her department prepare and encourage the students to participate in different areas of competition each year, always with gratifying results.

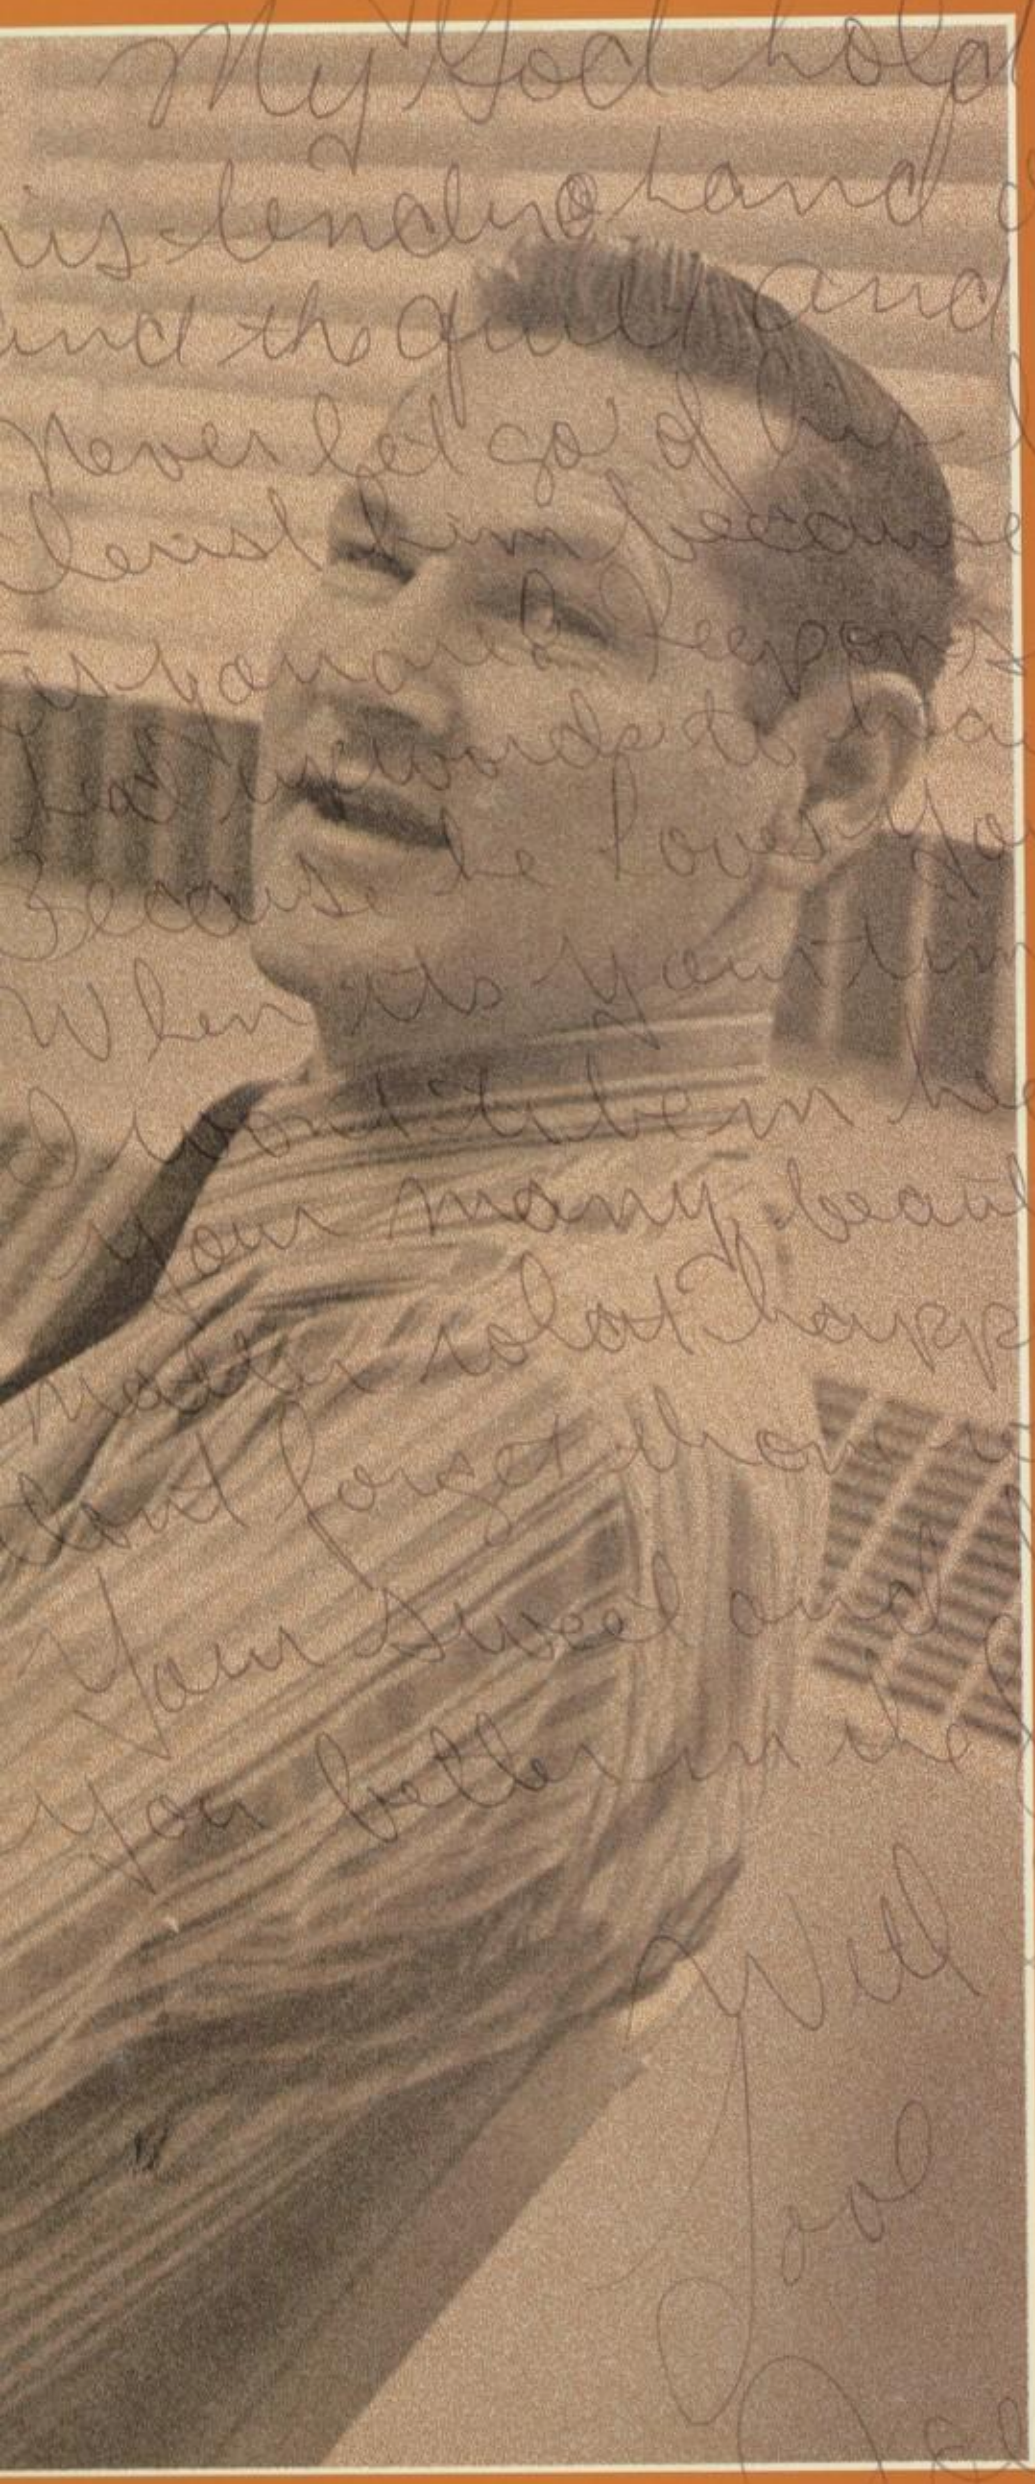
Students who finish the courses offered in this department are qualified to enter the business world with confidence.

The FBLA will be responsible for the registration at the State Convention this year and one of the students will be a candidate for State Secretary.

Much credit is due Miss Payne for her untiring efforts in making the business department one of the best.



Best Wishes



***The only shield to their MEMORY is the rectitude and sincerity of their actions.***

# *ADMINISTRATION*

# *OUR SUPERINTENDENT*
## *Dr. Clarence L. Winn*

I feel it is a distinct privilege for me to have the opportunity to write a brief message for the 1973 edition of CASTLEVIEWS. As in the past, I am sure that this yearbook represents the rich tradition, loyalty, and devotion of the students and faculty at Castleberry High School.

Having been selected superintendent to succeed Mrs. Irma Marsh was indeed an honor and highlight of my educational career. It will be my endeavor to provide the same quality of leadership that was provided by Mrs. Marsh.

The technological era in which we now live moves us at a rapid pace. This makes it imperative that we equip all students with the knowledge that will permit them to be productive members of society. As your superintendent, I will assist in directing an educational program which will meet the needs of our students. By maintaining a strong, well-qualified staff and with the continuing support of the community, I am confident that our goals and objectives will be achieved.

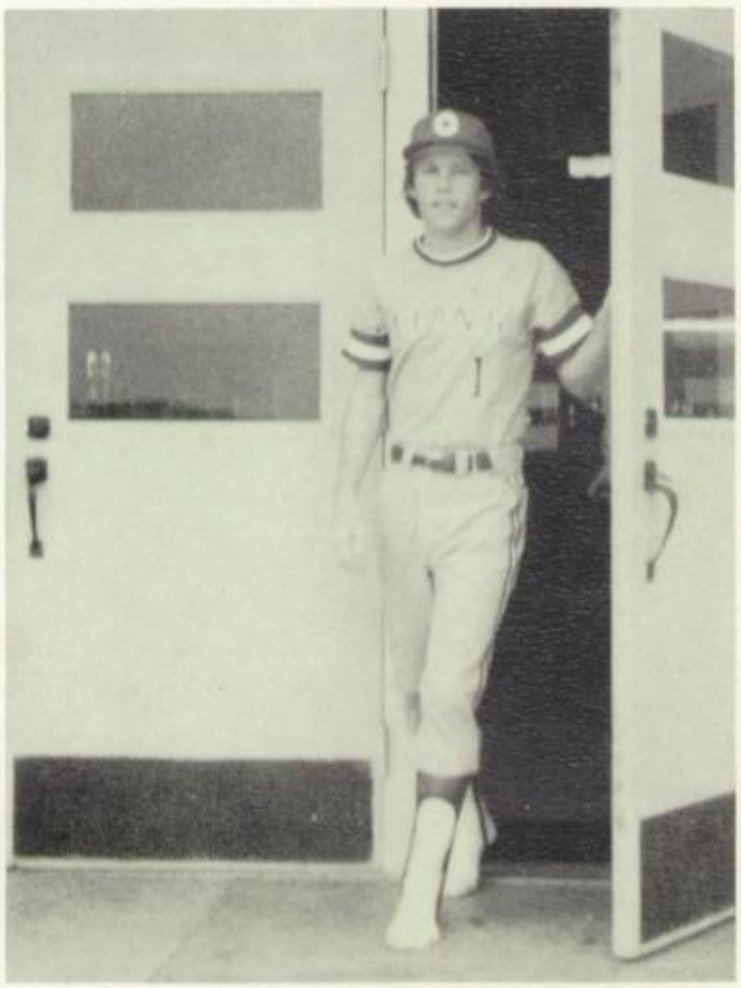
# MR. & MISS CASTLEVIEWS

Jerry Cullum

Janice Dobkins

Mr. & Miss Castleviews 1972-73



Jerry has been active in many CHS activities throughout his high school years. He was captain of the football team this year and has played varsity football for three years. He played basketball for two years, track for one year, and baseball for one year. This year he has served as Vice President of F.C.A. After graduation Jerry plans to attend U.T.A., where he will study mechanical engineering.

Janice's activities and responsibilities have been many throughout her years at CHS. She has been a cheerleader for four years, in C.T.O. for three years, and in sextets for two years. She is a four-year member of F.H.A. and served as President of the chapter this year. Interested in music, Janice had the role of Dolly Levi in this year's choir production of "Hello, Dolly", and plans to study music after graduation. One of her most remarkable qualities is the untiring devotion she has for our school.

# "Most Likely to Succeed" in Action

Because of his outstanding ability in several areas Kent was chosen as "Most Likely to Succeed". This year he has served as President of the Senior Class and President of Key Club, showing leadership abilities. He displays qualities of Character and Determination as a member of the basketball team. Active in campus life, Kent strives to better his school as well as himself. For these reasons and more, Kent is likely to become quite successful in life.

Just look at that determination!

Always looking onward and upward!

Danette was chosen as "Most Likely to Succeed" because of her extraordinary abilities. She has held leadership positions in the Senior Class, Spanish Club, C.T.O., F.T.A., and Annual Staff. While participating in Choir and Student Council, she has shown qualities of Determination and good Character. Through her school years she has tried to maintain high grades and respect for school administrators and faculty. These qualities should help Danette to have a successful life.

Qualities of Leadership, Determination, and Scholarship justify David's nomination for "Most Likely to Succeed."

Janice displays a unique attitude towards our school through her Devotion and Determination, thus meriting a nomination for "Most Likely to Succeed."

In addition to the customary activities, such as the Thanksgiving Food Drive and Homecoming Spirit Boxes for the football team, CTO has added several new projects this year. With their contribution of a lighted sign saying, "Go Lions", CTO won a weekly spirit contest. At each pep rally the girls wore their club outfits and sat together to raise spirit. At Thanksgiving the club gave a luncheon honoring the teachers. For Christmas CTO sponsored a clothing drive, the clothing being donated to an orphanage.

For giving so much of her personal and professional life in helping students enjoy their school life more and for her outstanding work with THE ROAR and the Rodeo Club, we wish to say a special THANK YOU to Mrs. Jean Lister, a concerned and dedicated teacher. She is always considerate of her students, fellow teachers and administrators. She is in a sense of the word A REAL TEACHER, and we honor her with this small token of our appreciation.

The Castleberry High School Rodeo Club has achieved tremendous growth in the last few years. Membership of the club totals approximately 85 students this year and the group last appeared in some 25 high school rodeos. At least 50 percent of the members actually participated in the events-bareback riding, saddle bronc riding, bull riding, chute dogging, calf roping, ribbon roping, barrel racing, steer riding, goat tieing, poles and steer saddling. The Castleberry club is a charter member and the largest club in the North Texas High Rodeo Association. Several riders will qualify this year for the final rodeo of the association.

The Castleberry group sponsored a three day rodeo-Feb. 23, 24 and 25- at Lazy H Arena in Boyd, Texas. Money earned from the show will be used to purchase letter jackets for qualifying members and for school projects. In the past the team has helped landscape the campus, given scholarships, helped provide equipment for other athletic teams in the school and provided a loan fund for members for rodeo expenses.

## *MEMORIES*

***Memories are unique to Seniors for many reasons. To each individual the memories of their Senior year are different. Some will remember the football and basketball games while others will hold dear the memory of their last pep rally. To many the realization that graduation is the last time Seniors will be together is a startling one. All Seniors realize that they are entering a new phase of life from which there is no turning back.***

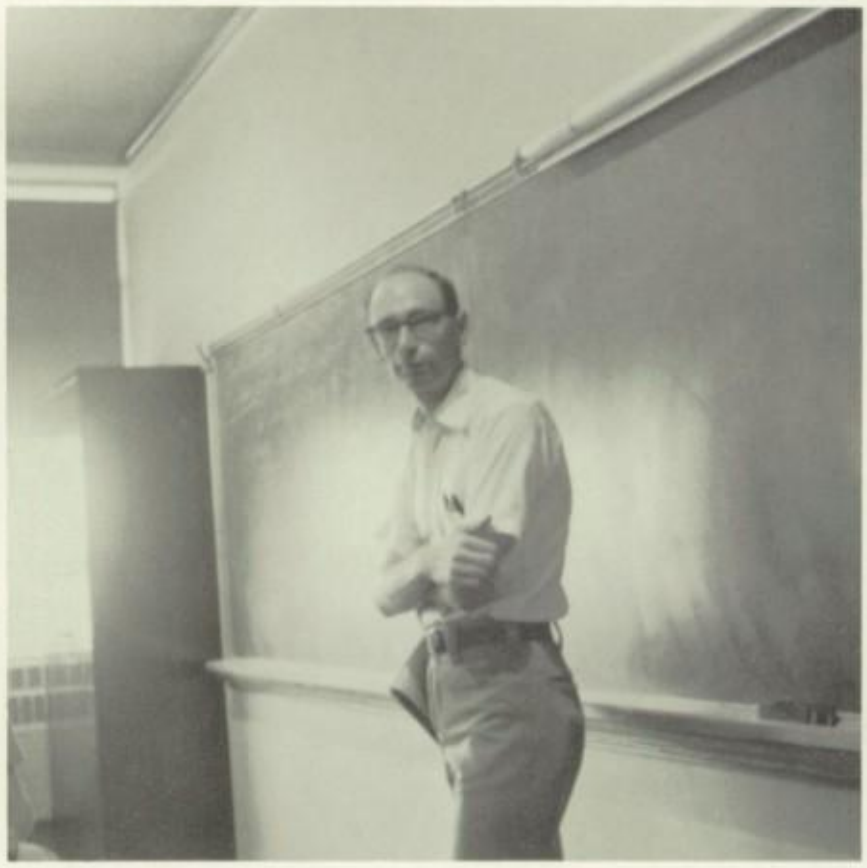
Man, I dig those roots and radicals!

# QUOTABLE

"Now Students, let's get on the ball!"



"Let's get it quiet in here!!!"

"Yes, may I help you?"

"I pledge allegiance . . ."

"It's Howdy-Doody Time!!!"

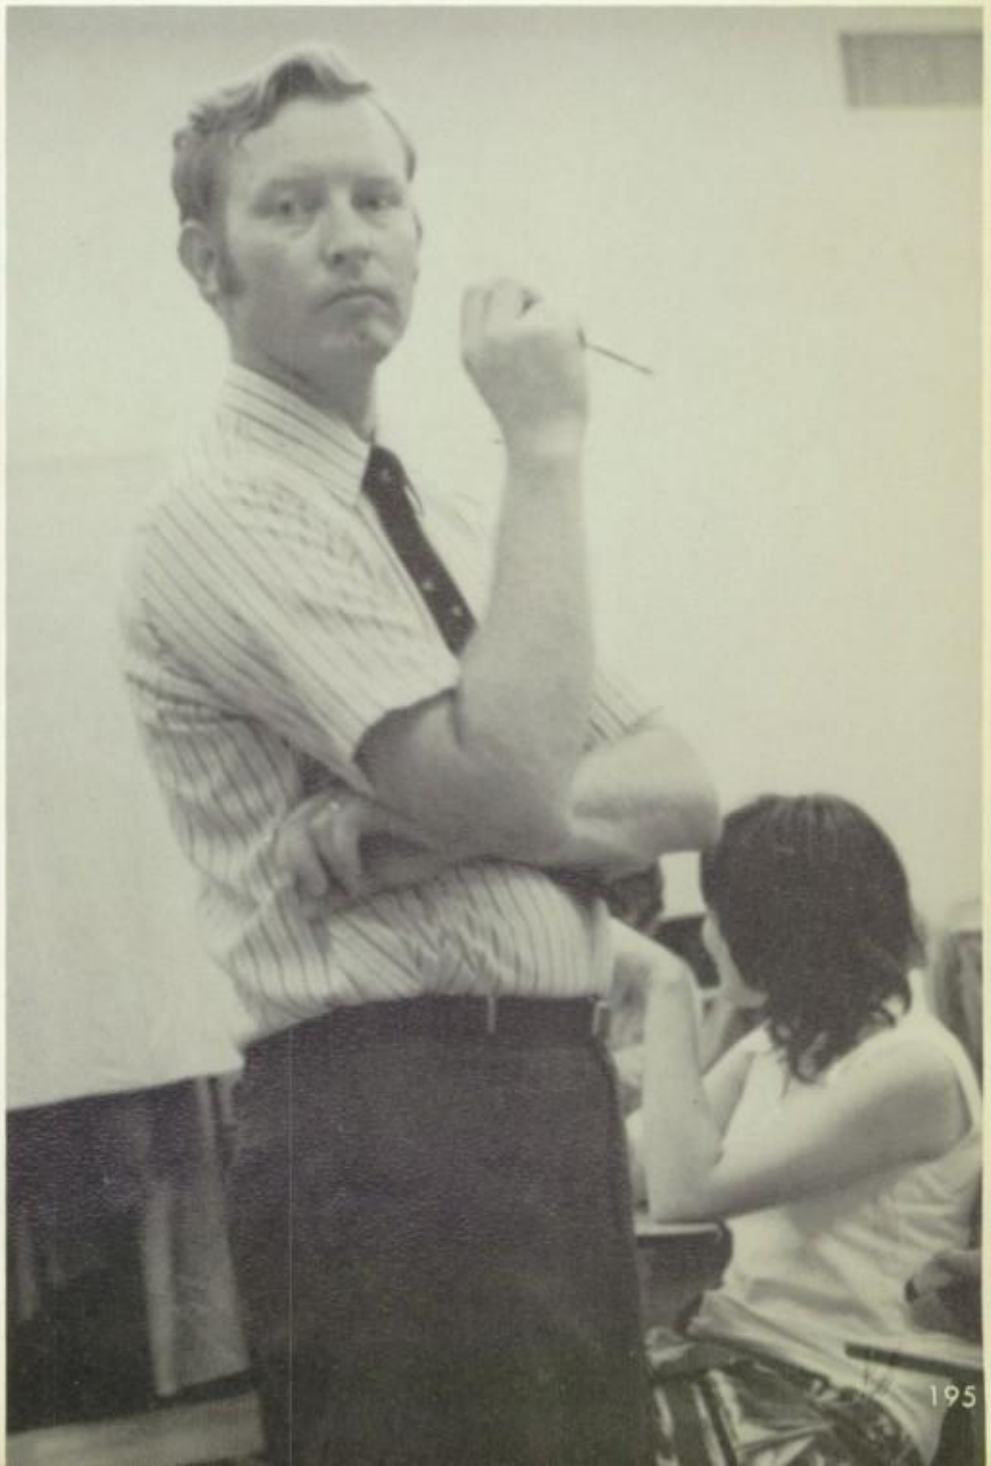
# QUOTES

"What did you say this food was made of?"

Rise and shine, sleepy-head!

Heap much cold!

"These pencils taste better every day!"



"This is heavy and I'm not lion!"

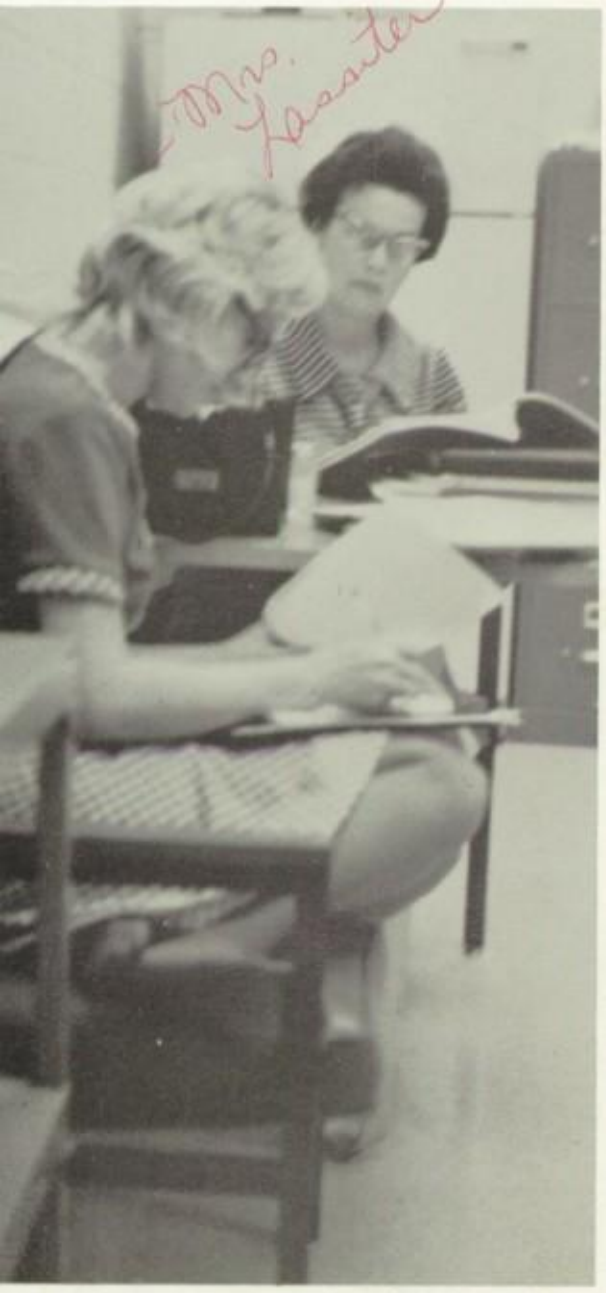
"Give me back my crayolas."

"My kingdom for a student."

"S.O.S. Save our school!"

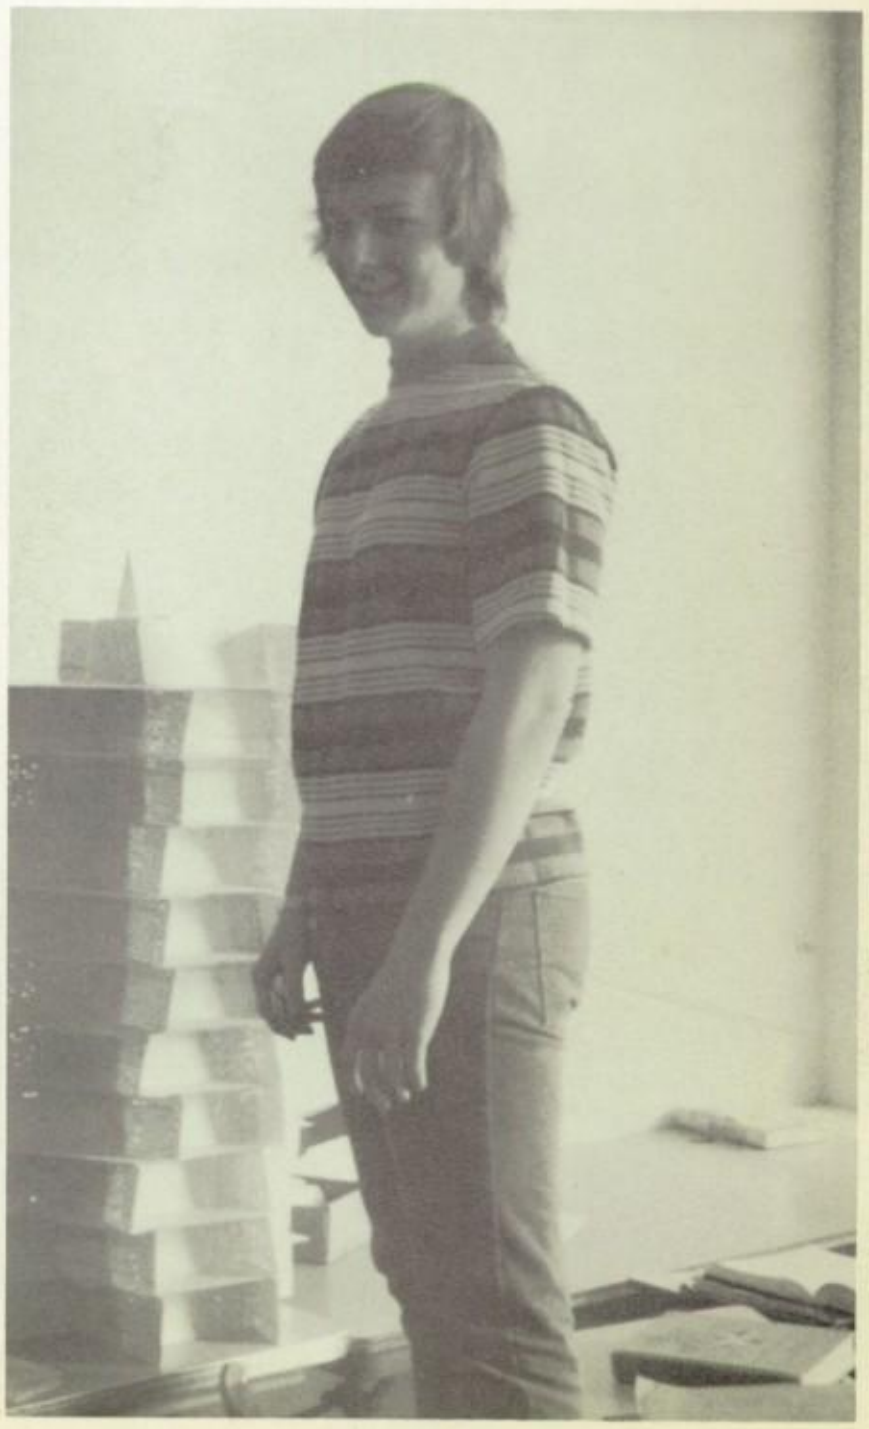
"Let me entertain you."

"It's been a hard day's night."



The weariness, the fever and the fret
where women sit and hear each other
roan."

"The look of love . . ."



"This is the house that David built . . ."

"Here we go 'round the mulberry bush"

"Here we go 'round the mulberry bush"

We sit in great expectation . . .

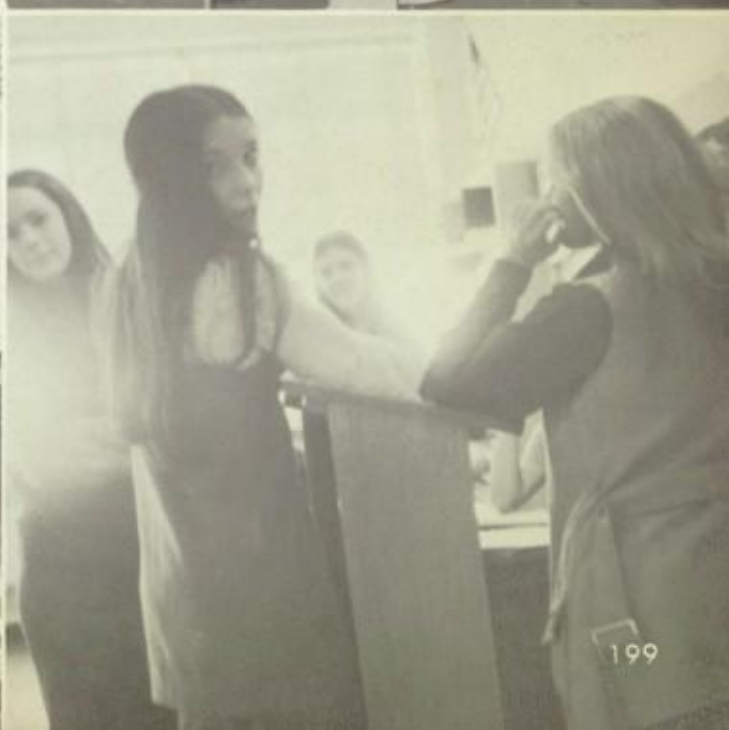
Daydreaming, thinking of . . .

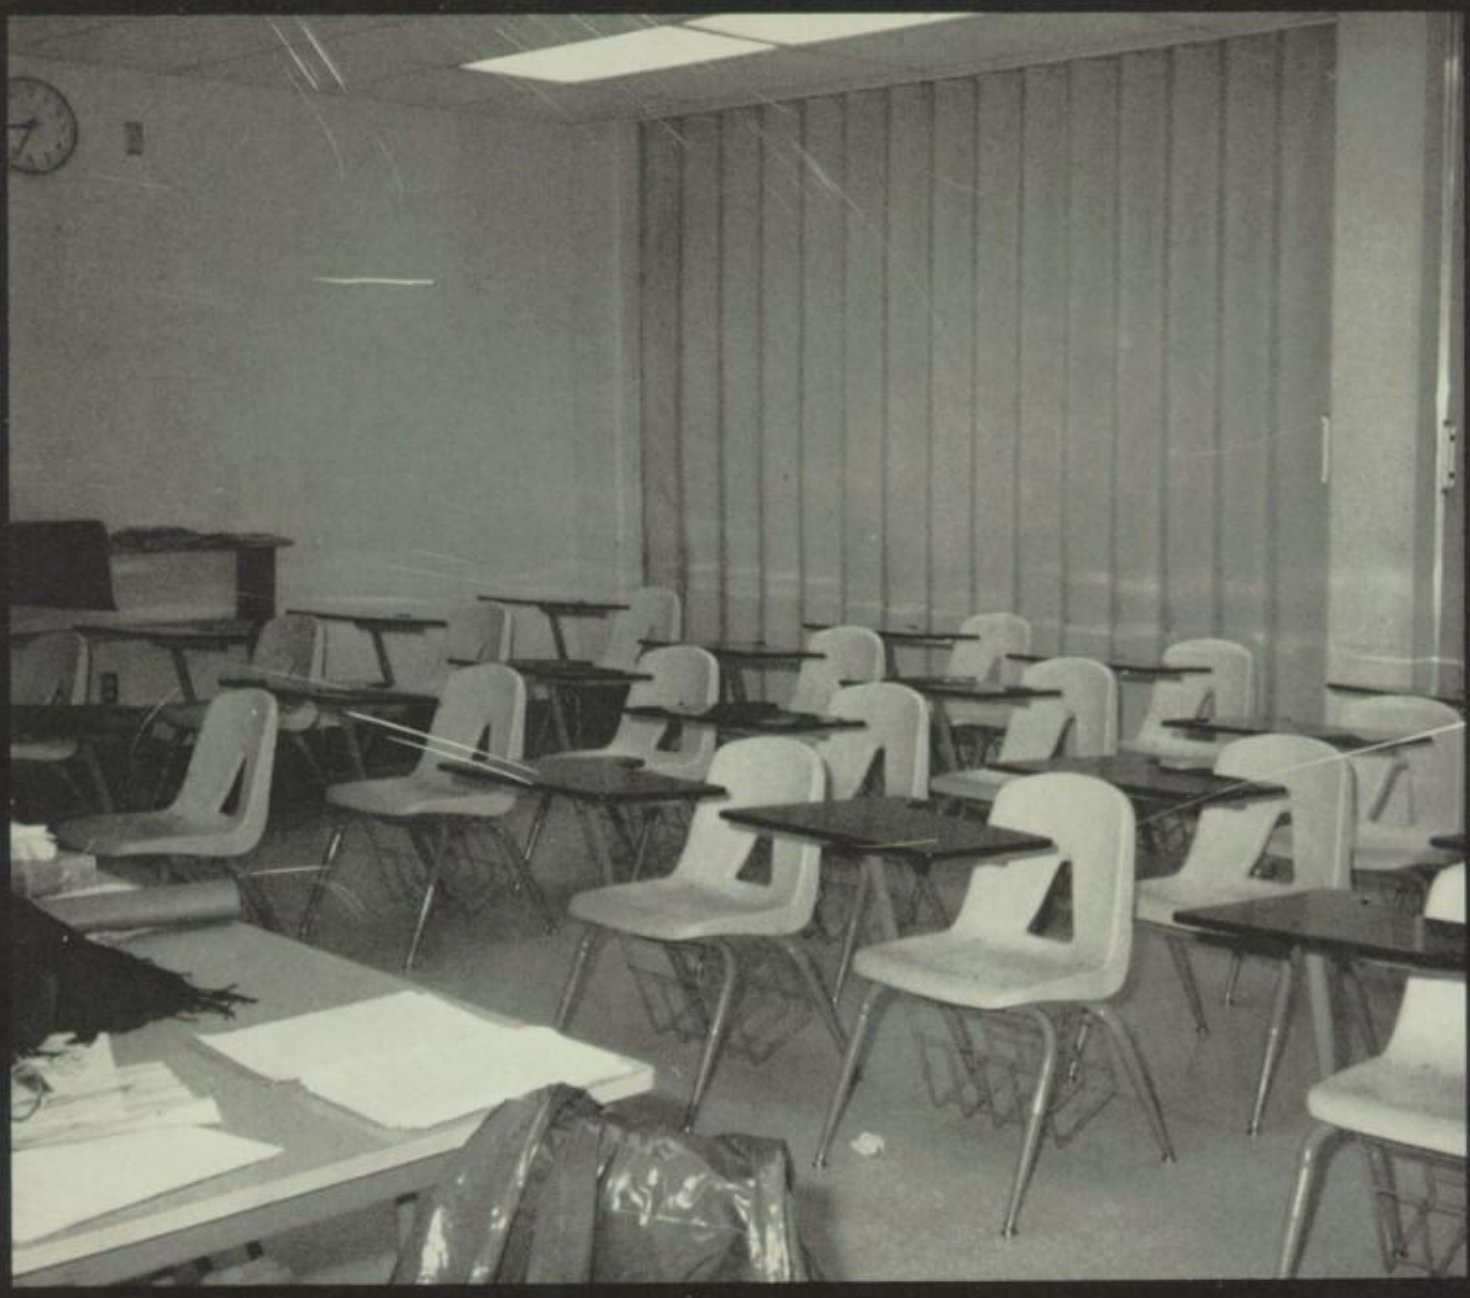
"I can beat up every kid on my block! And that's the truth!"

# *Desiderata*

Go placidly amid the noise and the haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is as perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore, be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Found in old St. Paul's Church in Baltimore dated 1692.





*The days have come and gone,*

*Bringing blissful memories*
*to each of us.*

*And although they are now*
*lost to sight,*

*We can still see the patterns*
*they have woven . . .*

*For no force and no man can*
*abolish MEMORY.*
